

Call for Posters
2018 Kentucky Nurses Association (KNA) Conference
November 1 – 2, 2018
Holiday Inn Louisville East

The Kentucky Nurses Association's Education and Research Cabinet will sponsor a poster session at the **2018 KNA Conference, "Reclaim Nursing: Heal, Empower, and Inspire," 6 – 8 p.m. on Thursday, November 1** (attendees will receive 1.0 contact hour). The Cabinet invites faculty, students and nurses in practice who have conducted research, used evidence-based research findings in practice and/or developed creative educational training models to share their findings. *Take advantage of this opportunity to highlight your work and learn from others from across the Commonwealth.*

Type of work the KNA will accept:

- Educational projects such as research in progress or completed hospital or community-based studies
- Teaching strategies using evaluative research
- Graduate student research projects
- Innovation in practice settings

Poster specifics & requirements:

- Poster size & display*** – The poster size is 48" X 36" and will be displayed on easels provided by the KNA.
- Poster description & material*** – please include:
 - ›Title
 - ›Presenter name/s
 - ›Objective
 - ›Background
 - ›Significance to the Field of Nursing
 - ›Research Method/s
 - ›Findings and Implications

Deadline, timeline and cost:

The deadline for poster submissions and payment is **Friday, September 21**. The KNA will notify prospective presenters by ***Friday, October 5***. Send submissions via email to knaadmin@kentucky-nurses.org or mail submissions and payment to:

KNA/Poster Presentation

The KNA Poster Selection Committee will use information to select submissions:

Focus	Criteria
Title/Presenter Name	Is the title clearly stated/easily read? Is the title appropriate for the study?
Research Objective	Does the abstract clearly and precisely state the objective(s) and/or research question (hypothesis)?
Background	Is there evidence of an adequate review of literature to support the research question (hypothesis)?
Significance to the Field of Nursing	Does the abstract: <ul style="list-style-type: none"> a. Clearly indicate how the research is significant to nursing? b. Demonstrate how the research project promotes best practice? c. Contribute to the body of nursing knowledge?
Method(s)	Is the method used for the research appropriate?
Findings	Are the findings clearly stated?
Implications	Are the implications for nursing practice clearly articulated?

For more information or if you have questions, call the KNA at 502-245-2843.
